

Parental Permission Form Parish Website

The Church of the Nativity is currently in a process to update and improve the parish website. We are attempting to utilize the website for communication, promotion, and explanation of youth events, and we are very excited about getting the youth pages up and running. To make this site worthwhile and enjoyable for the youth, we would like to include pictures and videos from youth group.

Therefore to do so, the Church of the Nativity must have permission from a child's parent or guardian to submit pictures, names, or videos of their child to the parish website. Please review and mark your choices below.

This parental release is subject to the following parameters:

1. Nativity Parish will not submit a student's home street address or telephone number on the website.
2. Most photos will not have captions with names.
